

SECOND QUARTER 2020

CROSSOVER GLOBAL KINGDOM RETURN ON INVESTMENT

The global pandemic caused by COVID19 has disrupted the core nature of our pioneering efforts of providing Gospel access for those who have limited or no access to the Gospel at all. Our church planting teams have continued to work hard by phone, texting, and online services. We are grateful to the Lord Jesus that in the last quarter — “COVID Quarter” — we still saw 29 new churches established among unreached people groups. These new churches give us a total of 251 churches toward Mission Impact, our goal to plant 4,000 brand new churches by the year 2024.

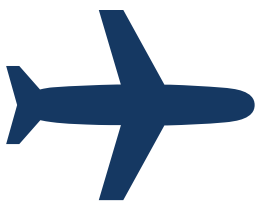

FOUNDER’S LEGACY - YOUR KINGDOM IMPACT

Nearly thirty-three years ago, on August 8th, 1987, Bill and Debby Jones and João Mordomo set out together on a new Kingdom endeavor called Crossover Global. This landmark day represented the start of something new, a response to God’s calling, a firm step of faith into uncharted territory.

August 8th, 2020, will be another landmark day in the history of Crossover Global as Ken Katayama will take the next step of leadership and become the CEO and president of Crossover Global. Bill will continue to serve as chairman of the board with João serving as the vice-chairman.

Before this exciting change takes place, we wanted to highlight several achievements God has brought about through the faithful leadership of Bill and João over the last three decades.

OVER 2,000 CHURCHES HAVE BEEN PLANTED AMONG UNREACHED PEOPLE GROUPS!

FAILED - These are churches that started, but because of persecution or lack of responsiveness to the Gospel, were closed.
SUCCESSFUL - These are churches that are self-supported and self-led three years after being planted.
IN PROCESS - These are churches that are still being established but lack local leadership or financial independence.

As Crossover Global makes a leadership transition next month, we know that we could not provide Gospel access without the power of the Holy Spirit and your faithful prayers and support over the last three decades.

Thank you for faithfully supporting Crossover Global's church planting efforts. What a Kingdom legacy! As we look into a promising and bright future, we would love to encourage you to continue building the Kingdom of God among unreached people groups.
